Scavenger Hunts

.....

www.virginiastateparks.gov

A scavenger hunt is a great way to help you see and explore more of the world around you. Have your group pick a scavenger hunt from these choices and see how many items you can check off the list.

We tried to make lists for all ages and skill levels. Look over the lists and chose the one that is right for your group. As an added challenge, try to complete the page.

No matter which list you choose, make sure you are ready for an adventure. Wear sturdy hiking shoes or boots. Bring a water bottle and bug spray. And as always, dress for the weather.

Remember to leave no trace. Take only pictures and leave only foot prints.
